The Fine Print

Holiday Pre-Ordering & Shipping Schedule

Holiday orders placed by November 30 will be considered PRE-ORDERS and will begin shipping out between December 1 - December 9 in the order in which they were received. Orders placed on or after December 1 will ship in the order in which they are received.

Orders received after November 30 and prior to December 16 (pending supplies) will be shipped by December 19 to arrive by Christmas. Orders after December 16 will require rush production and shipping, subject to additional fees.

COVID-19 Shipping Delays

Transit times are continuing to vary greatly due to the impact COVID-19 is having on the supply chain. Therefore, we are unable to guarantee transit times with the exception of Pre-Orders placed via our UPS shipping provider. If your gift is time sensitive, please consider upgrading to rush shipping which may help speed things up. At this time, we do not issue refunds, offer discounts, or accept returns for gifts that experience transit delays as these delays are sadly, out of our control.

Standard Shipping Protocol

Our gift boxes are artisan in nature and proudly made to order! Any orders placed after the Pre-Order Period (December 1 or later) will be processed within 2 to 4 business days for production plus transit time for delivery, not including the date your order was placed.

To rush production on your order there is a Rush Production Fee and Shipping Fee, which will be reflected in your proposal. Some orders may not be available for rush delivery, and if this is the case with your order, we will contact you immediately with a realistic turnaround time for production and replacement.

Please note that CORK is not responsible for stolen packages, and refunds will not be issued.

Please note that we cannot ship to P.O. boxes. We apologize for any inconvenience this may cause.

Return-to-Sender

If your gift is returned to us as undeliverable, we are happy to re-ship your gift following this protocol:

- The fee to re-process return-to-sender gifts is \$15 plus the actual cost of postage.
- We notify you via email and/or phone call that your gift box has been returned and the reason it was returned (i.e., not picked up, declined by recipient, invalid address).
- You provide us with an updated/valid mailing address to attempt re-delivery.
- We open the shipping box and adjust anything that may have shifted around within the gift box during transit to make sure the gift is in perfect condition to be shipped again.
- We repackage your gift in a brand new, clean shipping box with new packaging material
- We will require payment before we re-ship the gift to your recipient within 2 business days.
- If the invoice is not paid, the gift is considered unclaimed and becomes the property of CORK. No refunds or credits will be issued.
- If Cork does not receive a response within 10 business days of notifying you that the gift has been returned, the gift is considered unclaimed and becomes the property of CORK. No refunds or credits will be issued.
